

INNOVATION

DURABILITY

STYLE

As one of the largest manufacturers of building materials in North America, KP Building Products is renowned for offering a vast array of innovative industry-leading products.

We use only the strongest polymers and most attractive pigments in our design process. That way, you have all the right tools when you begin to bring your vision to reality.

We work hard to develop products that deliver performance and style and ensure customer satisfaction with a lifetime limited warranty.

Remember a Classic Moment in Time with **Ashbury**

HERITAGE Collection of Vinyl Siding

The Ashbury collection of heritage inspired vinyl siding combines the rich history of 6" lap siding with the durability and weatherability of vinyl. This is where comfort, elegance and style are brought back to life.

Classic COLOR

Ashbury is available in a variety of rich, saturated craftsman tones with perfectly matched trims, so you can achieve the authentic, historical look you're searching for.

Exceptional FEATURES and BENEFITS

Historical beauty combined with modern technology. Our product is carefully designed and manufactured to give you the best performance possible.

- 
Cyclone System™ Nail Hem
 Double-thickness for extra rigidity and wind resistance.
- 
Ultra-Vinyl™ UV Technology
 Premium vinyl compounds and UV inhibitors are used to protect against sun damage and fading.
- 
Self-aligning Locking System
 Our panels snap together with ease while allowing for flexibility in positioning during installation.
- 
.050" Panel Thickness
 Premium .050" thickness for optimal impact resistance and strength.
- 
Realistic Woodgrain
 Subtle, realistic woodgrain molded from real cedar planks.

A TIMELESS Profile

Ashbury is available in the time honored tradition of 6" lap siding.

Double 6"
