

MATERIAL SAFETY DATA SHEET

July 2007

1. IDENTIFICATION AND USE

PRODUCT IDENTIFIER: PVC Siding (POLY -VINYL-CHLORIDE-Siding)

MANUFACTURER: KP Building Products

PRODUCT USE: Building Material

WHMIS CLASSIFICATION: PVC Siding is manufactured article and therefore exempt from controlled products regulation. However, if the articles are cut, sanded or otherwise modified, the dust generated may be irritating.

2. HAZARDOUS INGREDIENTS

Not a controlled product in accordance with sub-paragraph 13(a) to (10) or paragraph 14(a) of the Hazardous Products Act.

3. PHYSICAL DESCRIPTION

Physical State:	Preformed Solid	Boiling Pont:	N/A
Appearance and Odor:	Various, No Odor	% Volatile (Wt %)	N/A.
Vapor Pressure:	N/A	Solubility in Water:	Insoluble

4. HEALTH HAZARD INFORMATION

Nature of Hazard (Applies only to PVC dust generated and not PVC siding)

Inhalation:	Dust may be irritating to eyes, nose, throat and lungs
Eye Contact:	Particles may scratch eye surfaces or cause mechanical irritation
Skin Contact:	Not considered to be a hazard
Ingestion:	Minimal toxicity

5. FIRST AID MEASURES

Inhalation:	In emergency situations use proper respiratory protection to immediately remove the affected victim from exposure. Administer artificial respiration if breathing has stopped. Keep at rest. Call for prompt medical attention.
Eye Contact:	Flush eyes with large amounts of water until irritation subside. If irritation persists, get medical attention.
Skin Contact:	First aid is normally not required.
Ingestion	First aid is normally not required.

6. FIRE AND EXPLOSION HAZARD

Flammability:	Non-flammable by WHMIS criteria
Decomposes:	Flammable toxic gases will form at elevated temperatures (thermal decomposition). Toxic gases will form upon combustion.
Fire Fighting:	Use water spray to cool fire exposed surface and to protect personnel. Other agents rated for wood fire (Type A fire) can be used. Firefighters should wear self-contained breathing apparatus.

7. REACTIVITY DATA

General:	This product is stable
Incompatible:	Keep away from high temperatures and strong oxidizers.
Hazardous Decomposition Products:	May include and are not limited to oxides of carbon when heated to decomposition.

8. DISPOSAL CONSIDERATIONS

Dispose of waste according to local, state/provincial and federal requirements.

Disclaimer of liability:

As the condition or methods of use are beyond our control, we do not assume any responsibility and expressly disclaim any liability for any use of this material. Information contained herein is believed to be true and accurate, but all statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information. The hazards connected with the use of the material or the results to be obtained from the use thereof, compliance with all applicable federal, state and local laws regulations remains the responsibility of the user.
