Hudson Bay™

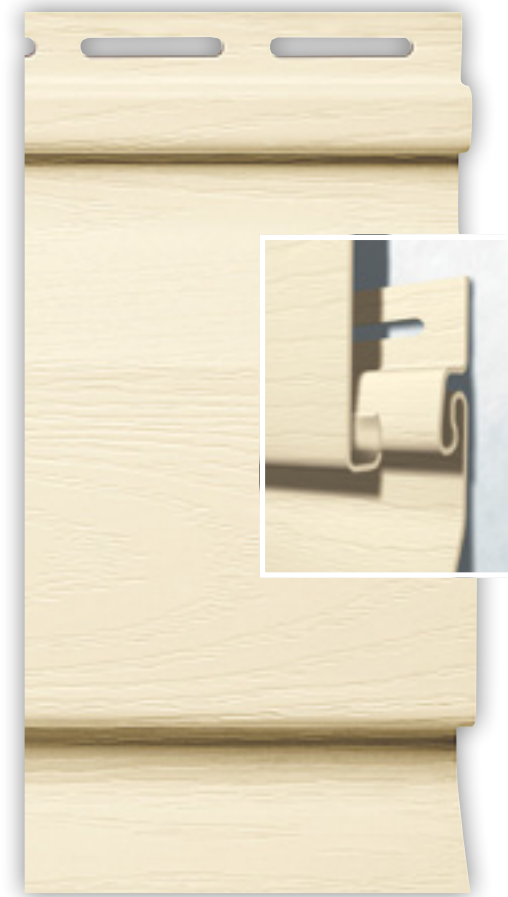

Curb appeal and value in one attractive package.

Inspiration Realized

Curb appeal and value in one attractive package.

It looks exactly like wood. It feels like wood. But it's really KP Hudson Bay™ —our most economical alternative to the constant repairing, scraping, and staining of real wood. Featuring the best of KP's color retention and UV resistance additives.

We deliver optimal thickness for added durability.

The low-gloss woodgrain finish looks like freshly painted wood.

Our panels snap together with ease while allowing for flexibility in positioning during installation.

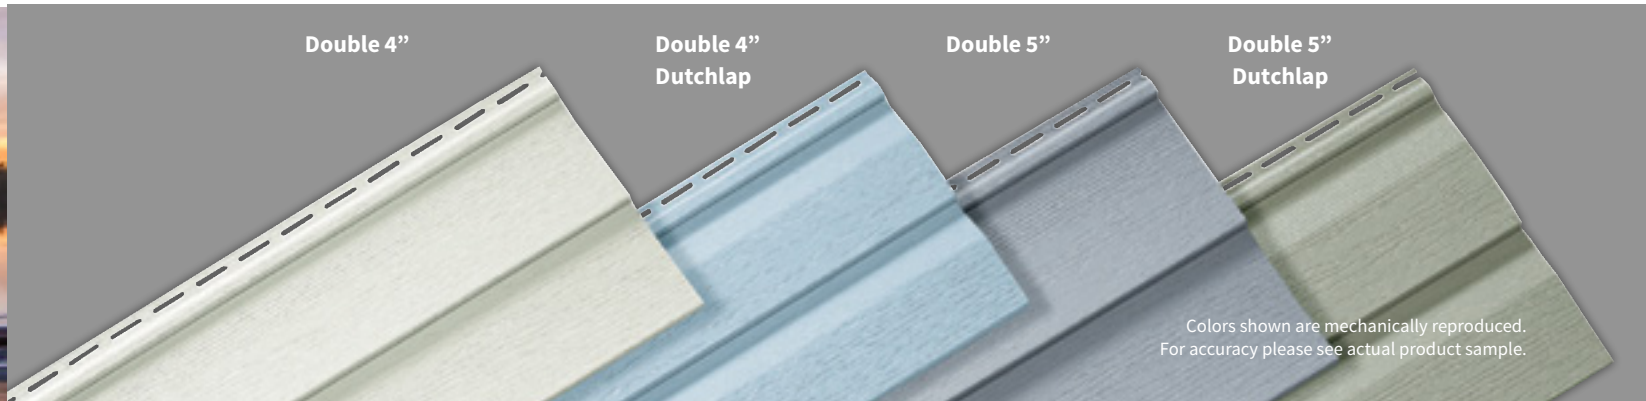

Ultra-Vinyl™ UV Technology premium vinyl compounds and UV inhibitors help combat the harsh rays of the sun.

Limited lifetime warranty.

COLORS

Colors shown are mechanically reproduced. For accuracy please see actual product sample.
